With a split floor plan featuring two master bedrooms, it's easy to convert this home into a 4-bedroom, 2-bath if needed. After entering the gated circular driveway, you'll find a bright and spacious home with arched accents, LVP flooring, stucco, and a beautiful metal Spanish-style roof. The property is filled with pine and oak trees, providing privacy and room to spread out. There's also a detached 2-car garage with plenty of storage. Part of the wrap-around porch has been enclosed, creating additional pantry and storage space. Each master bedroom is huge, with its own ensuite bathroom, making this a great option for a roommate setup. Inside, lots of natural light. The backyard offers peace and quiet, with a screened-in gazebo, a hot tub, and a vinyl pool that needs repair. A Generac generator and tankless gas water heater add convenience.
