Nice flat 3 acre parcel with a 713 sf brick building built for a business. Office area has a nice half bath with plenty of room to add a shower/tub. The rest of the building is open and could be transformed into a small home,(see deed restrictions) or could be used as a shop or hobby building. The building has a mini-split AC/heat system and there is a large concrete area and pad where a shop or storage building could be located. This is all in the front half of the acreage leaving plenty of room to build the home of your dreams! New roof on the brick building.
