4 Bedroom, 2.00 Bathroom, 1,864 sqft
Residential on 0 Acres

Plantation Woods, Milton, FL

This is a new construction 4 bedroom 2 bathroom home built in 2023 with move in ready upgrades! Situated on a lush quarter acre corner lot with covered front and back patio areas, and a full privacy fence for the backyard, this home is perfect for a growing family. The previous owners invested in a Home Technology package which includes a KwikSet keyless entry, Skybell doorbell, automated front porch lighting, an Echo Dot device and a Quolsys touch panel which can be used to control your lighting, thermostat, front door and more. LVP throughout the main spaces makes cleaning a breeze, while cozy carpet in the four bedrooms make this space feel like home. Gorgeous custom accents have been thoughtfully placed throughout the home such as new fans, modern gold light fixtures that compliment the upgraded black and gold cabinetry hardware and the granite countertops. The master suite is spacious and has an ensuite bathroom with double vanities and a shower/tub combination. After being meticulously maintained for less than a year, this home is the perfect opportunity to secure a new build with all the upgrades without having to wait for construction.
