Fixer-Upper with Endless Potential – Bring Your Toolbox and Imagination! Attention, dreamers, DIYers, and HGTV enthusiasts—this is your chance to turn a diamond in the VERY rough into the home of your dreams! I guess you can say good bones and maybe a few creaky ones. Let's be honest—this home has seen better days. The floors have stories to tell; the walls may need a little extra love and the kitchen? Well, let's say it's got a character. But this place could shine like new with some elbow grease (okay, maybe a lot)! You're getting a solid structure (probably) and a spacious yard that may or may not need work, too. Some will call it charm, but let's call it "dated." Endless potential (and possibly a few surprises along the way!) If you've been waiting for a project that will test your patience and your creativity—this is it! Whether you're flipping, restoring, or embracing the lived-in look, this home is ready for its next chapter. Are you the one to write it? Take a look—but maybe bring a flashlight, just in case.
